Pool News: We are excited to have the construction for our new pool underway and to see so much progress in the past 3 months! Despite the delay with demolition, our contractor, Shamrock Enterprises, the BOSC New Pool Committee, and the entire BOSC Board remain committed to meeting a Memorial Day weekend opening and are continuing our efforts to ensure the success of this project. Look for more updates as April approaches, when we will also set definite dates for Spring Clean-up activities.

2012 Pool Passes: We will be going “green” this year at the pool! Each individual will be issued a pass however the pass will **remain** at the pool. We will be utilizing a new check-in and check-out system for 2012. How it will work: Check in at the front gate with the pool attendant by stating your name. The attendant will move your pass from the “out” box to the “in” box. You will then be checked-in and ready to enjoy the pool. When you are ready to leave, inform the attendant you are leaving and your pass will be moved to the “out” box. This will eliminate the issue of lost/forgotten passes. We will also be able to reuse the passes which will save the pool money!

Babysitter pass: A babysitter pass is available for \$50.00. This is a great benefit for our members. This pass is issued in the family’s name and may be used by any **one** person escorting your children to the pool. **A babysitter pass is not a valid membership card. It is only valid while accompanying a current member to the pool.**

Guest Coupon Books are available when ordered with your dues payment. Booklets of ten guest passes can be purchased for \$40.00 each including sales tax (this is a \$10 discount off the gate price of \$5.00 per guest). Your passes may be picked up the first time you use the pool.

E-Mail Address: Our number one form of communication is email. Be sure to include your email address when completing your registration online.
